 - B. Discussed the status of designee forms collected so far. We have received most of them so far but encouraged those who haven't yet to turn them in.
 - C. Discussed making changes to the by-laws regarding the approval process of new employees of bail bond companies. Captain Stockstill suggested that the bail bond companies do the background check and submit the approval along with the application to the board to be approved at the next board meeting. If the companies were to be responsible for that and since we are no longer doing badges for employees as they are approved we would not charge the \$25 fee. This was tabled to next month to get feedback from the bonding companies and for David Fulton to look at the by-laws and assess the situation.
